More about *Inc.* and the Inc. 5000 Regionals

Methodology

The 2022 Inc. 5000 Regionals are ranked according to percentage revenue growth when comparing 2018 and 2020. To qualify, companies must have been founded and generating revenue by March 31, 2018. They had to be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2019. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2018 is \$100,000; the minimum for 2020 is \$1 million. As always, Inc. reserves the right to decline applicants for subjective reasons.
